

HARBOR TRINITY

Thank you for your interest in getting involved with the **HARBOR TRINITY** worship team. Our worship team seeks worshippers that possess two principles. First is musical talent and a desire to use that talent for God's glory and renown. Second, we seek worshippers that are living according to God's unfathomable Truth.

These two principles – talent and a healthy spiritual walk with the Lord – is foundational in this decision making process.

In an effort to make things as clear as possible, follow the steps below:

- 1.) Read over the worship team summary and core values
- 2.) Fill out the application
- 3.) Turn in the application to the church office at any time, or hand it to Pastor Matt on Sunday. *You will be notified at which time to attend.*
- 4.) Attend tryouts on the date / time given: _____

Vocalists: Vocals will meet the first hour. An introduction will be given at the start followed then by singing. Vocalist will be required to privately sing one song acappella, and then sing along with an accompaniment.

Instrument: At a separate hour, instrumentalists will be given a brief introduction and will play a few songs with the band.

- 5.) After steps 3 & 4 are completed, the worship team will reflect and pray as we consider your involvement with the worship team, after which you will be notified with the decision.

We realize that this is a step of faith for you, and we will do our best to make this an enjoyable experience. The goal in all of this is to create an inspirational worship team, as well as help you find the best place to serve at **HARBOR TRINITY**.
